

Weekly Progress Report

Team#: 8

Project Name: Attendin

Team Members: Dominic Iquina, Mutazz Zeidan

Advisor: Elizabeth Pawley

Date: Monday – November 17, 2025

What was accomplished last week:

Pretty light week, we spent time discussing upcoming action items for the winter/spring and slowly began to pivot towards working on my upcoming presentation as well as our final exams.

Plans for coming week:

This week will focus on our final presentation and peer reviews. Going to also prioritize studying for upcoming exams and maybe working lightly on some minor tasks we have left as we wrap up this semester.

Issues or concerns:
