

Weekly Progress Report

Team#: 8

Project Name: Attendin

Team Members: Dominic Iquina, Mutazz Zeidan

Advisor: Elizabeth Pawley

Date: Monday – November 24th, 2025

What was accomplished last week:

Project-wise, not too much has been completed. Capstone course-wise, we're steadily working the presentation along with peer reviewing other students.

Plans for coming week:

Continue working on presentation and peer reviewing. Wrap up the term and jot down some good notes for us to pick back up on the project in the spring semester. (Or maybe get some todos for winter break if we're free).

Issues or concerns:

N/A – Final progress report for the term!
