Weekly Progress Report

Team#: 8

Project Name: Attendin

Team Members: Dominic Iquina, Mutazz Zeidan

Advisor: Elizabeth Pawley

Date: Monday – October 6, 2025
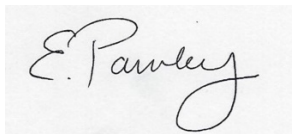

What was accomplished last week:

- Created a project timeline with goals of what each member will accomplish throughout the project.
- A couple requirements discussions

Plans for coming week:
- Continue writing up requirements for widgets and screens.
- More housekeeping items.
- Setting up our flutter project since we haven't gotten to that last week as well as getting both of our iOS/Android emulators set up (won't need this until much later but good to have them set up)

Issues or concerns:
